Filesize: 1.2 MB

Reviews

This publication is wonderful. It can be rally fascinating throgh reading period of time. You are going to like the way the writer create this publication.

(Mrs. Piper Jacobi)

THE IRON WHIM: A FRAGMENTED HISTORY OF TYPEWRITING (HARDBACK)

DOWNLOAD

Cornell University Press, United States, 2007. Hardback. Book Condition: New. 216 x 150 mm. Language: English . Brand New Book. The Iron Whim is an intelligent, irreverent, and humorous history of writing culture and technology. It covers the early history and evolution of the typewriter as well as the various attempts over the years to change the keyboard configuration, but it is primarily about the role played by this marvel in the writer's life. Darren Wershler-Henry populates his book with figures as disparate as Bram Stoker, Mark Twain, Franz Kafka, Norman Mailer, Alger Hiss, William Burroughs, J. G. Ballard, Jack Kerouac, Hunter S. Thompson, Northrop Frye, David Cronenberg, and David Letterman; the soundtrack ranges from the industrial clatter of a newsroom full of Underwoods to the more muted tapping and hum of the Selectric. Wershler-Henry casts a bemused eye on the odd history of early writing machines, important and unusual typewritten texts, the creation of *On the Road*, and the exploits of a typewriting cockroach named Archy, numerous monkeys, poets, and even a couple of vampires. He gathers into his narrative typewriter-related rumors and anecdotes (Henry James became so accustomed to dictating his novels to a typist that he required the sound of a randomly operated typewriter even to begin to compose). And by broadening his focus to look at typewriting as a social system as well as the typewriter as a technological form, he examines the fascinating way that the tool has actually shaped the creative process. With engaging subject matter that ranges over two hundred years of literature and culture in English, *The Iron Whim* builds on recent interest in books about familiar objects and taps into our nostalgia for a method of communication and composition that has all but vanished.
