In the Forest of Tombolo is inspired by the true experiences of an American soldier during the closing days of World War II. By the time John Squillace fell in love with Michelina Colonna, he had deserted from the American army and ended up with a group of renegades and deserters inhabiting a tract of wasteland near Pisa, the forest of Tombolo. The band consisted of Black GI s who had deserted in the face of the overwhelming prejudice they faced in their own army. At the same time, the American poet Ezra Pound was arrested for treason, having spent the war making broadcasts for Fascist Italy, and imprisoned at a detention center near Pisa. John meets the fellow poet as a fellow prisoner. His first impression is that the old man is simply crazy, but then a line of poetry emerges from Pound s endless, anti-Semitic monologues, a line that brings to John s mind the woman he thought he had lost forever: What thou lovest well remains, all the rest is dross. Before he can be reunited with his love, John is sent to the Pacific. When he finds her again after many years, Michelina reveals the great sorrow of her life....
