Puffin Books, United States, 2007. Paperback. Book Condition: New. Reprint. 173 x 99 mm. Language: English . Brand New Book. Bobby Lassiter has some important secrets but it s not as if anyone s paying attention. It s the middle of the Depression, and while Bobby s mother and older sister knit all day to make money, Bobby explores the California desert around their home. That s how Bobby finds Boots. He s under their one half-dead tree, halfdead himself. Right away he s a secret, too a secret to be fed and clothed and taken care of, and even more of a secret because of what he can do. Sometimes Boots is a man. Sometimes he s (really, truly) a horse. He and Bobby both know something about magic and those who read this book will, too. A wonderful story about a man who is a horse, and a boy who is a girl about fake magic and real love about deaths that are part of living and the pain that pays for joy. I love it. Ursula K. Le Guin.
