Brand New Book ***** Print on Demand *****.In 2009, we started sharing stories about the joy adopted dogs bring to their new families with a little book full of short stories entitled **Lost Souls: FOUND! Inspirational Stories of Adopted Boston Terriers**. That book showcased the stories of 50+ fostered/adopted Boston Terriers, sold more than 2,000 copies, raised thousands of dollars for dog rescue organizations, and gave us the confidence to do the same for multiple other breeds. Now, **Lost Souls: FOUND! Inspiring Stories About Boston Terriers, Vol. II** continues to share the love and joy adopted Boston Terriers bring to their new homes. Excerpt: The next day was my first valuable lesson in fostering. When my five-year-old son, Sean, came out to the front yard to ask us a question, he left the gate open just enough for Archie to wander out. Archie looked back at us casually before barreling down the street. My husband, my eight-year-old son, Ryan, and I went after him, as he ran up and down the street. After 20 tiring minutes, Archie still showed no sign of slowing down. While the neighbors enjoyed the entertainment, my husband pursued Archie on his Segway, and Ryan ran after him with a huge fishing net. - Pam Hess Did Ryan catch himself a giant fish that day? Or did Archie go running off into the sunset? Buy this book to find out!.
