We Shrink Wrap & Carefully Package Your Order & Quickly Ship It. - Jer. 3:15 - And I shall give you shepherds according to My heart, and they shall feed you with knowledge and understanding. - Will planet Earth ever be hit by a gigantic ASTEROID? From time to time we hear about meteors and asteroids on our new programs, making the topic current events. We need to understand what is happening in our generation in terms of the Bible.ASTEROIDS are huge chunks of rock moving in space. The word "asteroid" is not in the Bible. However, Revelation does talk about a "great mountain burning with fire cast into the sea" and "there fell a great star from heaven burning as a lamp".The Bible says one by sea, resulting in one third of the ships and one third of all sea life will be destroyed, and one by land, Wormwood, resulting in one third of the rivers and waters will be poisoned (made bitter).We cannot change what the Bible says will happen. But we are less vulnerable to fear when we are armed with facts.
