Brand New Book ***** Print on Demand *****.Let us exchange congratulations on the enjoyments and the pros literary anniversary. The land we live in has no interest so dear, if it knew its want, as the fit consecration of days of reason and thought. Where there is no vision, the people perish. The scholars are the priests of that thought which establishes the foundations of the earth. No matter what is their special work or profession, they stand for the spiritual interest of the world, and it is a common calamity if they neglect their post in a country where the material interest is so predominant as it is in America.
