Utopia Rising (Paperback)

By Matthew L Sexton

Createspace, United States, 2011. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.Back Cover Text: If you assume the progression of humanity points to a pattern, then nearly everything you encounter in life is a piece of data in the puzzle of mankind's fate. Does it paint a doom and gloom prospect or is it going somewhere amazing? Matthew Sexton's debut novel is a glimpse into the evolution of humanity and its inherent potential going forward. The goal to marginalize pessimism and negativity is critical to our efforts of progression. But it is not just optimism or wishful thinking that Sexton professes; it's realism based on the wonders of the modern world. Knowledge and its results, such as technology and standardized practices which have proven their worth, are not the products of a single individual's efforts but a collective consciousness, a concerted, connected effort that portends an extraordinary future of boundless possibility. There is no reason to assume this progress is reaching its boundaries or even that they are in sight. Thought provoking and sound in principle, Utopia Rising probes without cynicism and with a desire...

Reviews

Basically no terms to clarify. It is actually written in basic terms rather than confusing. I found out this ebook from my dad and I suggested this book to find out.
