Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.God is infinite energy plus the sum total of all the energies in the universe, visible and invisible; thermal, nuclear, sonic, light, magnetic, electrical, chemical, potential, hydrostatic, and all of the other forms of energy known and unknown; enthalpies and entropies. Evil exists because good exists. God created Satan so God could demonstrate His powers against Satan. And without evil to contrast with, it will be difficult to understand good; and almost impossible to understand how difficult it is to do good. God allowed evil around us so we can develop aversion to it, and continuously choose good for our own goodness. You have not loved until you show love in the middle of injustice and unfairness. Everything God created in the natural has a spirit God matches with it, that controls it. Every discrete particle; every living cell; every microorganism or virus; every discrete body tissue or body organ; every structure; every motion; every human emotion; every discrete object or system of objects; every celestial body or orbital system; every human establishment or human society-if it is real to man or exists in man s intellect-has a designated spirit in charge of it. And because the Spirit of God fills the earth, the universe and beyond completely (Ephesians 4:6-10); to God, moving anything from one point on the earth and the universe to another point on the earth and the universe, is like moving something from your left hand to your right hand. That is why everything God does within the earth and the universe takes only an instant. Moving from the natural realm into the supernatural realms also takes an instant for the same reason. All...
