# ARMAGEDDON 2000: COUNTDOWN TO DOOMSDAY?

Creation Books, London, 1996. Paperback. Book Condition: New. First Edition. Throughout our present decade, both the media and the general public - not to mention various fanatical religious factions - have been concerning themselves increasingly with the imminent end of the millennium and its possible implications for mankind. Kenneth Rayner Johnson predated them by 20 years with the publication in 1975 of *The Zarkon Principle*, his best-selling premonition of apocalypse in the year 2000AD. Now, with just four short years...

*This ebook is great. It is definitely basic but shocks from the 50 percent of your publication. Its been printed in an exceedingly basic way and it is only right after i finished reading this book where basically changed me, modify the way in my opinion.*

-- **Mckayla Ritchie**

*This is the finest book i have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
