

## An Approach to Social Science Research - A Step by Step Guide

By Haslida Abu Hasan

LAP Lambert Academic Publishing Nov 2013, 2013. Taschenbuch. Book Condition: Neu. 220x150x7 mm. This item is printed on demand - Print on Demand Neuware - This book is on a methodology adopted in one PhD research, thus, it provides an example of step by step involved in one research attempt, systematically. It could serve as a guide for student-researcher when undertaking their research as well as writing their research methodology chapter. Comprises of ten sections altogether from introduction, designing the research aims and questions, justifying methodological positions, research design, detail description of the effort involved in data collection and analysis and how to report findings, the author also included sample of corresponding emails and letters with respondents during data collection processes. The comprehensive description of each step taken in the research process is shared which will be very useful when anyone wishes to replicate the effort. I hope that this book comes handy to student-researcher in particular or other beginner in social sciences research. 112 pp. Englisch.
