Xlibris Corporation, United States, 2007. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Growing up is hard and living with the choices we make along the way even harder, Anya Denning, a young, successful, interior designer continually finds herself asking the famous question, What was I thinking? Finishing college and making a name for herself in the world of interior design was her goal. Done. Now for once, maybe even twice, she hopes to make a relationship do more than just last. In Anya s experience she finds that her long-time relationships are just that, time. In most cases, time wasted. She wants the American dream: marriage to a fine, not to mention, successful man, a career of her own, children, a beautiful home, nice cars in the garage and luxury vacations. Why doesn t it ever feel as good as it sounds? Continually finding herself in dramatic messes with men seemed to be the one constant of Anya s life. What could possibly fill her when every thing she s worked for to make her happy leaves her empty, broken-hearted and lonely? Told in her own words, Anya takes you on a journey of smiles, tears, heartache, laughter, pain and joy in her honest account of the men she s loved, the life she s lived and the process of learning to love herself.
