Reviews

This composed book is excellent. This really is for all who stante that there had not been a worth reading through. Your life period will probably be change as soon as you total looking over this ebook.

(Cheyanne Barrows)

SOULMINDER

Open Road Media Sci-Fi & Fantasy, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: In this new book by the author of Blackcollar and the #1 New York Times -bestselling Heir to the Empire, Timothy Zahn imagines a technology that could alter our perception of life and death forever For Dr. Adrian Sommers, a split second of driving while distracted leads to tragedy--and obsession. His family destroyed, he devotes his entire being to developing Soulminder, a technology that might have saved his son as he wavered on the edge of death. Sommers's vision is to capture a dying person's life essence and hold it safely in stasis while physicians heal the body from injury or disease. Years of experimentation finally end in success--but those who recognize Soulminder's possibilities almost immediately corrupt its original concept to pursue dangerous new frontiers: body-swapping, obstruction of justice, extortion, and perhaps even immortality.
